Wild rivers. Legendary taimen.
A welcoming lodge at the end of every day.

01 / THE SETTING

A wild place to cast.

At the meeting of the Shishged and Tengis rivers, Taimen Lodge puts you in the heart of northern Mongolia's river country. The Darkhad Valley opens into forested hills and the Ulaan Taiga mountains.

ONE BASE. DAYS OF DISCOVERY.

Set out from the lodge, follow the river, and settle into the rhythm of a fishing day. There is space here for the anticipation of the next cast, a riverside lunch, and an evening spent trading stories.

02 / ON THE WATER

The fish you came for.
